

## LUNCH PROGRAM FOR COMPANIES

Weekly lunch program for companies that do not have canteens or carrying out work in the field without catering facilities.

We offer a weekly menu or longer. Most work on the basis of long-term contracts / cost-efficient.

Deliveries do not have to be daily. At your request we can arrange Individual delivery program selected by your days.

The program provides you with a constant supply of a full dinner.

Special modern packages allowing easy heating in the microwave or the oven to 130°C. For a small fee, we can rent a microwave.

We know that a good and healthy meal can make you work better. Our diverse menu, changes every week, giving you a large selection and allowing you to achieve this goal. If you have any questions or unusual expectations call us and together we determine individual program.

Below are examples of menus to choose from for four weeks.
